CERTIFIED LEAD ABATEMENT WORKER

Employees certified for lead abatement will be paid in accordance with their rate of pay under their classification.

WORKING DUES

Working Dues shall be a percentage, as determined by the District Council No. 36 By-Laws, of the base wage and the Vacation rate for all hours compensated for. In computing this amount, all fractions will be rounded to the nearest cent which will be deducted from the employee's wages and remitted to the District Council No. 36, provided the employees have signed a valid authorization card authorizing such deductions. In the event of any change in the amount of Working Dues, the employer shall be given a thirty day notice prior to altering that amount. Working Dues are always included in the wage rates. This applies to all journeymen and apprentices in all areas.

FOREMAN PAY

On jobs with three (3) or more employees, an employer is required to designate a qualified foreman. The foreman rate shall be **\$1.00 PER HOUR OVER THE SCALE.**

At the sole discretion of the employer, they may designate a GENERAL FOREMAN. The general foreman shall receive **\$2.00 PER HOUR** more than the highest paid employee he directly and continuously supervises.

PAPERHANGING

Journeyman paperhangers may be employed on a per-roll basis provided, however, that the employer shall deduct **ALL PAYROLL TAXES, CARRY COMPENSATION INSURANCE AND MAKE FULL TRUST FUND CONTRIBUTIONS.** In no event shall pay on a per-roll basis be less than if figured on the hourly classification. Journeyman paperhangers shall not contract nor sub-contract. **TWENTY-FIVE (\$.25) CENTS WILL BE ADDED TO THE APPLICABLE WAGE RATE.**

VACATION

The Vacation is taxable. It must be added to the basic wage rate to establish the gross taxable wages. Employers contribute the applicable rate per hour for all hours worked or paid for to the Vacation. Deduct the various taxes, etc. from the gross taxable wages, then deduct the Vacation and the Working Dues. Remember, the dues are already included in the various wage rates, so they do not need to be added like the Vacation.

VACATION AND WORKING DUES DEDUCTIONS

When computing your regular payroll deductions for such items as Withholding Taxes, Social Security, Unemployment Disability Insurance, etc., be sure to include Vacation and authorized Working Dues deductions with the employee's weekly wages. After the various deductions have been made, then the full amount of the Vacation and Working Dues withheld should be forwarded to the Trust Fund along with the fringe benefits on your monthly reports.

All contributions for one month are due and payable on the 10th of the following month. Your contributions will be considered delinquent if not received by the bank by the 20th of each month. Please note that the Trust Fund will not consider the date of the postmark on your mailing envelope to determine timely payment. The date that the bank receives your contributions will be the determining factor. All reporting forms must be returned timely even if there are no hours to report. If you fail to return any of the reporting forms, you will be considered delinquent. A report received late with contributions paid will be assessed liquidated damages based on a percentage of the contributions. A "No Hours" report received late will now be assessed a flat \$100 liquidated damages.

As an example, for a Journeyman Painter working 40 hours per week during the period 07/01/21 thru 12/31/21, and who has signed a valid authorization card authorizing such deductions, his various payroll deductions would be computed as follows:

Employee's hourly rate of pay		(\$34.12* per hr. X 40 hrs.)	\$1,364.80		
Vacation		(\$ 2.55 per hr. X 40 hrs.)	\$102.00		
Gross Pay					\$1,466.80
*Includes working dues of \$1.32 per hr. (3.6% x base hourly wage rate and vacation totaling \$36.67)					
<u>Deductions:</u>					
Various federal & state taxes (ESTIMATE)			\$366.70		
Vacation		(\$ 2.55 per hr. X 40 hrs.)	\$102.00		
Working Dues		(\$ 1.32 per hr. X 40 hrs.)	\$52.80		
Total Deductions				\$521.50	
ESTIMATED Net Amount					\$945.30
